Semler Brossy, a leading national executive compensation consulting firm, announced the promotion of Michael Gorski to Principal and the addition of Michelle Garrett as Principal.

Michael Gorski has 15 years of experience in the executive compensation industry. He has worked extensively across all industries and has expertise working with both public and private compensation structures, including pre-IPO transitions. Before joining Semler Brossy in 2012, Michael was Director of Professional Services at Equilar Inc., the leading corporate leadership data solutions provider.

“Michael has been an inspiring leader at our firm—consistently delivering high-impact work for clients and developing and coaching many of our team members,” said Roger Brossy, Managing Director. “He’s a builder and carrier of culture, and we’re thrilled for him to expand his leadership role at Semler Brossy.”

Michelle Garrett comes to Semler Brossy from Cravath, Swaine & Moore LLP, where she was an attorney in the Executive Compensation & Benefits department for nine years. She received her J.D. from Columbia Law School, where she was a Harlan Fiske Stone Scholar, and her B.A. magna cum laude from Columbia College.
